

FitLinxx on the App

Mobile-friendly access to easily view your account

Log a workout to record any cardio or strength exercise

Activity widgets to review your strength, cardio, tracker & FitPoints records

Message center to read notifications and communicate with your facility instructor

Kiosk EXPRESS START and FINISH WORKOUT buttons

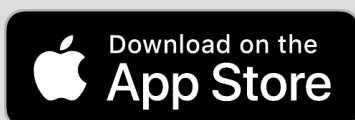

The app is free and easy! Simply visit the Google Play Store or App Store and search for ActiveLinxx on your smartphone. All you need is your online username and password to login.

Create Your ActiveLinxx Online Account

Once you are setup to use the FitLinxx System, **you will receive a personalized email invitation to register** for an online account. Click on "Accept Your Invitation," answer a few questions and you are ready to go!

You can also request additional invitations at any time **from your facility's FitLinxx Kiosk** by pressing the "FitLinxx Online Registration" button. A personalized invitation will be emailed to you.

Or simply go to www.activelinxx.com and click on the "Sign Up" link.
